Protect Your Floor, Protect Your Assets

Energize your exercises with SportPlay Mat safety tiles

Play harder and reduce fatigue with our versatile, durable rubber tile covering your floors. Our one-inch thick, shock absorbent, skid resistant safety tiles soften the areas you need most to energize your exercises - whether working out, walking or standing.

Physical Properties

Critical Fall Height Limits

Test Description	ASTM	Result	Lab	Thickness	Weight per Tile	Pieces per Pallet	IPEMA Certified Fall Height
Least Favorable Impact Location	ASTM F3351	PASS		2.50-3.75"	33.50	60	2', 6', 8'
