SportPlay MAT
PLAYGROUND AND ATHLETIC TILES

TECHNICAL DATA

Description

SportPlay Mat safety tiles are a 1" thick resilient and skid resistant safety tile that softens areas requiring minimal fall height protection.

SportPlay Mat safety tiles are manufactured from 100% post-consumer waste tires and provide an exceptionally durable, safe, low maintenance option to bare concrete or other hard surface materials.

Uses

SportPlay Mat safety tiles are ideally suited to improve the beauty, comfort and ease of maintenance in various environments including daycare centers, fitness centers, retirement homes, home gyms and more.

Advantages

- **SportPlay Mat** safety tiles are Certified to ASTM F1292 for head impact attenuation at fall heights of 2 feet.
- **SportPlay Mat** safety tiles are ADA compliant and meet ASTM requirements.
- **SportPlay Mat** safety tiles are water permeable providing a fast drying surface that easily permits surface water to properly drain.
- **SportPlay Mat** safety tiles are environmentally friendly, molded from 100% California recycled waste tires diverting as many as 2.5 tires per tile from our landfills.
- **SportPlay Mat** safety tiles are safe for our children containing no toxic materials and certified to be 100% steel free.
- **SportPlay Mat** safety tiles are have a very smooth top surface providing comfort to bare feet, hands and elbows while maintaining exceptional skid resistance whether wet or dry.

Advantages (Continued)

- **SportPlay Mat** safety tiles are modular in design making them easy to install over concrete and asphalt.
- **SportPlay Mat** safety tiles are easy to maintain requiring only basic cleaning with a broom, vacuum or water hose on a regular basis.
- **SportPlay Mat** safety tiles come in a variety of colors providing a multitude of design options to meet any need.
- **SportPlay Mat** safety tiles are backed by the industries leading manufacturer of rubber molded safety tiles and accessories and come with a 5 Year Limited Material Warranty.

Product Specification

Tile Size:	23 7/8" x 23 7/8" ±1/8"
Tile Thickness:	1"
Tile Weight:	15.75lb

NOTE: Recycled Rubber Tiles will expand and contract with changes in UV Exposure and Temperature. Size tolerance is measured at 72° Fahrenheit.
